Invitation to Exhibit

Third International Coating Wood and Wood Composites Conference: *Durable and Sustainable—Today and Beyond* September 22–23, 2009

Marriott Charlotte Executive Park, Charlotte, NC

This two-day conference provides your company with a unique opportunity to showcase its products and services to the wide array of professionals working in the ever-growing area of wood and wood composites and their design and protection.

Along with the in-depth program that will focus on the formulation of coatings and their use by the designers and architects specifying wood and wood composites, your company's participation can help the attendees to develop a better understanding of the issues involved in designing for durability and sustainability.

Attendees will represent the entire supply chain—including:

- Coatings Formulators
- Laboratory and Field Testers
- Architects
- Specifiers
- Building Maintenance
- Painting Contractors and Applicators
- Raw Material Suppliers
- End Users

Your tabletop exhibit is the perfect forum to network with the key players in these areas, to showcase your latest products, services, and techniques, and to hear directly from your customers.
